| **Date of Issuance:** | 28 October 2026 | **Designation:** | Software Development Engineer (SDE) |
| **Employing Entity:** | NR Waste Management Private Limited | **Department:** | Engineering & Platform Architecture |
| **Operating Brand:** | FonzKart (www.fonzkart.in) | **Base Location:** | Bengaluru, Karnataka (Hybrid Work Model) |

**Dear Mr. Hiten Verma,**

With reference to your ongoing contributions, software engineering deliverables, and high-velocity sprint execution, the Board of Directors and Executive Management of **NR Waste Management Private Limited** (hereinafter referred to as the **"Company"** or **"FonzKart"**) are pleased to extend this formal **Employment Agreement and Letter of Appointment** for the full-time regular position of **Software Development Engineer (SDE)**.

**NOTICE OF EARLY ROLE CONVERSION · PERFORMANCE MERIT AWARD**

You were initially extended an appointment as a **Software Development Engineer Intern (SDE Intern)** on **27th December 2025**, which was originally instituted as an unpaid internship slated to extend for a duration of up to **12 (twelve) months**. In recognition of your outstanding engineering performance, dedication, sprint velocity, and high-quality architectural deliverables demonstrated well ahead of schedule, the Management is delighted to reward your merit by formally converting your engagement into this paid, full-time regular employment role ahead of the contemplated 12-month tenure.

## 1.0 APPOINTMENT, DESIGNATION & EARLY ROLE CONVERSION

(a) **Role & Reporting Structure:** You are appointed to the full-time regular position of **Software Development Engineer (SDE)** within the Engineering & Platform Architecture Department. In this capacity, you shall report directly to the Lead Systems Architect / Head of Engineering or such other designated technical authority as may be assigned by the Company.

(b) **Supersession of Previous Internship Agreement:** This Agreement formally supersedes, discharges, and replaces all prior internship agreements, memorandums of understanding, or communications concerning your unpaid SDE Internship initiated on 27th December 2025. Effective as of your transition date hereunder, your engagement is elevated to a full-time, regular corporate employment relationship.

## 2.0 COMMENCEMENT DATE AND TERM

Your full-time paid employment under this Agreement shall take effect from your official Date of Joining / Transition, mutually confirmed as **[To Be Confirmed / Scheduled Date]**. This Agreement shall continue in full force and effect until terminated in accordance with the provisions herein.

## 3.0 PLACE OF POSTING AND HYBRID WORKING FRAMEWORK

Your base location of employment shall be **Bengaluru, Karnataka**. The Company operates a performance-driven hybrid engineering model combining remote sprint execution with scheduled in-person collaborative sessions at the Company's Bengaluru corporate office. The Company reserves the operational right to depute or transfer you to any associated office or facility within India as business needs require.

## 4.0 REMUNERATION AND ALL-INCLUSIVE COMPENSATION STRUCTURE

(a) **Consolidated Basic Remuneration:** The Company shall provide you with a fixed gross basic salary of **₹50,000 to ₹55,000 per month** (Rupees Fifty Thousand to Fifty-Five Thousand only), representing an annualized total gross remuneration of **₹6,00,000 to ₹6,60,000 per annum** (Rupees Six Lakh to Six Lakh Sixty Thousand only). The exact starting basic within this band shall be finalized upon formal onboarding.

**EXECUTIVE REMUNERATION SUMMARY · ALL-INCLUSIVE BASIC SALARY**

| MONTHLY GROSS BASIC PAY | ANNUALIZED FIXED CTC | |
|---|---|---|
| **₹50,000 – ₹55,000 / month** | **₹6,00,000 – ₹6,60,000 / annum** | 100% Fixed Basic Pay<br>No Variable Deductions |

(b) **Consolidation into Basic Salary:** In alignment with Company compensation policy and mutual agreement, your remuneration is established strictly on a consolidated basic salary basis. All statutory components, customary allowances, and benefits are subsumed entirely within the basic salary. No separate heads for special allowances, house rent allowances (HRA), performance bonuses, or variable incentives are applicable under this contract.

(c) **Statutory Deductions & Payroll Schedule:** All disbursements shall be subject to applicable statutory deductions, including Tax Deducted at Source (TDS) under the Income Tax Act, 1961, and Professional Tax under Karnataka State regulations. Net remuneration will be directly remitted via electronic bank transfer on or before the final calendar day of each operating month.

## 5.0 PROBATIONARY PERIOD AND FORMAL CONFIRMATION

(a) **Probationary Term:** You shall serve a probationary period of **45 (Forty-Five) Days** commencing from your effective Date of Joining. The purpose of this period is to provide both you and the Company an opportunity to assess mutual suitability, technical alignment, and performance standards.

(b) **Performance Assessment:** During the 45-day probationary period, your engineering output, code test coverage, sprint velocity, problem-solving aptitude, communication, and adherence to company architectural standards will be evaluated.

(c) **Notice Period During Probation:** During this 45-day probationary period, either party may terminate the employment relationship by serving **7 (seven) calendar days' prior written notice** or gross basic salary in lieu thereof, without assigning any cause.

(d) **Confirmation of Services:** Upon satisfactory completion of the 45-day probationary term, the Company shall issue a formal written Confirmation Letter. Unless and until confirmed in writing by authorized executive management, you shall continue to be deemed on probationary status.

## 6.0 WORKING HOURS, OPERATING SCHEDULE AND LEAVE POLICY

(a) **Operational Schedule:** The standard work schedule comprises a 5-day working week (Monday through Friday), with standard business hours between 9:30 AM to 6:30 PM. Given the dynamic nature of software engineering, you may be called upon to participate in scheduled release windows or resolve critical production incidents outside normal hours.

(b) **Leave Entitlements:** Upon confirmation, you shall be entitled to paid annual leaves, casual leaves, and national holidays in accordance with the Company's official HR Leave Policy. All leaves must be planned in advance with sprint leads to prevent project bottlenecks.

## 7.0 SCOPE OF ENGINEERING DUTIES AND PERFORMANCE STANDARDS

As a Software Development Engineer, your mandate encompasses the architectural design, implementation, testing, maintenance, and deployment of scalable software applications, internal operational tooling, customer portals, automated device valuation algorithms, order processing pipelines, and partner APIs powering FonzKart's re-commerce ecosystem.

- Architect, write, review, and maintain modular, clean, and testable code across full-stack applications.
- Participate actively in sprint planning, agile standups, system architectural designs, and automated testing cycles.
- Integrate secure third-party APIs, including payment gateways, SMS/WhatsApp communications, and logistics partner webhooks.
- Diagnose complex software bottlenecks and database performance queries to maintain 99.9% platform reliability.
- Implement defensive programming, rigorous input sanitization, and industry-standard security protocols across all endpoints.

## 8.0 CONFIDENTIALITY AND PROTECTION OF PROPRIETARY DATA

(a) **Proprietary Information Defined:** You acknowledge that in the course of your duties, you will acquire confidential and trade secret information of the Company, including source code repositories, architecture diagrams, device pricing engines, database records, customer data, vendor contracts, and commercial strategies.

(b) **Perpetual Secrecy:** You shall hold such Proprietary Information in strict confidence and shall not, directly or indirectly, copy, export, publish, or disclose any part thereof without prior written executive authorization. These obligations are perpetual and shall indefinitely survive the termination or cessation of your employment with the Company.

## 9.0 ASSIGNMENT OF INTELLECTUAL PROPERTY (WORKS MADE FOR HIRE)

All software code, scripts, technical designs, user interfaces, database structures, inventions, improvements, and documentation authored or conceived by you (solely or jointly) in connection with your employment shall constitute "Works Made for Hire". You hereby irrevocably assign and transfer to **NR Waste Management Private Limited** all worldwide intellectual property rights, copyrights, patents, and trade secrets in such works, without any entitlement to additional royalties.

You unconditionally waive any moral rights under Section 57 of the Copyright Act, 1957, or corresponding legislation in any jurisdiction.

## 10.0 RESTRICTIVE COVENANTS (NON-SOLICITATION)

During your employment and for a period of **12 (twelve) months** immediately following the cessation of your employment for any reason, you shall not, directly or indirectly, solicit, induce, recruit, or endeavor to entice away any employee, consultant, or business partner from the Company.

## 11.0 SEPARATION, NOTICE PERIOD POST-CONFIRMATION & GOVERNING LAW

(a) **Notice Period:** Following the successful completion and confirmation of your 45-day probation, either party may terminate this employment agreement by serving **30 (thirty) calendar days' prior written notice** or gross basic salary in lieu thereof.

(b) **Immediate Termination for Cause:** The Company reserves the right to terminate your employment summarily without notice or compensation in lieu thereof in the event of gross misconduct, fraud, dishonesty, or material breach of confidentiality or IP provisions.

(c) **Governing Law & Jurisdiction:** This Agreement shall be governed by and construed in accordance with the substantive laws of India. The courts of competent jurisdiction located at **Bengaluru, Karnataka** shall possess exclusive jurisdiction over any disputes or claims arising hereunder.

## 12.0 ACCEPTANCE, EXECUTION AND COUNTERPARTS
